

The Fire Safety Dogs and I are excited to Skype with your class! We appreciate you getting in touch with us. Our goal is to help reduce fire-related deaths and injuries and we are thankful to our sponsors, First Alert and State Farm for supporting this program. With their support, we are able to bring this program at no cost to your class/school.

My name is Dayna and I am a volunteer firefighter and certified fire safety educator. My dogs and I have been Skyping for over three years and have loved every minute of it! Our program is educationally sound and based on the latest fire safety research for young children and has been credited with helping save the lives of seven children and two adults who were involved in actual fire-related situations.

We Skype on Friday mornings at 10:30 A.M. Central Standard Time (US). Please let us know what time that you would be interested in and we will then look at our schedule and book your Skype visit (schedule permitting).

BEFORE THE PROGRAM

- Fill out an application form to guarantee your spot:
<http://www.emailmeform.com/builder/form/dbZefb54Fr56D62>
- Send a friend request on Skype to keepkidsfiresafe after we have confirmed the Skype visit.
- Please feel free to visit our “Bonus” materials page. The page includes a downloadable activity book, Jr. Firefighter Certificate and more to supplement the Skype visit.
<http://www.keepkidsfiresafe.org/sfstbonusmaterials.html>
- Optional: We have made a video for your students to get them excited about the Skype visit. <http://www.youtube.com/watch?v=o-iwulBmnx0>.

AFTER THE PROGRAM

- Please fill out the short evaluation form after the program. The results of the feedback is shared with our sponsors (no contact information will be shared), who support our program by providing the program free of charge to schools and other organizations. Here's the link: <http://www.keepkidsfiresafe.org/sfsstevaluationform.html> (Please note that 5 is the highest ranking and 1 is the lowest).
- Visit the Skype in the Classroom page at <https://education.skype.com/partners/54-fire-safety-dogs/> and leave a comment. We would be forever grateful.
- If you take pictures during the program, we would love to have a file of the pictures for our page. Should you take any pictures from behind where the children are (so that no faces may be seen), we'd like to post them on our webpage (www.keepkidsfiresafe.org and www.firesafetydogs.com) as well as on the dog's Facebook page (www.facebook.com/firesafetydogs) with your permission.

For those classes that send in at least 3 high resolution photos taken at different angles (with no faces of children showing and at least one picture from behind the children looking at the screen) that we can share on our Facebook page and website, we will send a copy of our award-winning children's fire safety book, *Sparkles the Fire Safety Dog* (1st Edition), as well as a pawtographed photo of Molly, **FREE!**

- On occasion, we have teachers asking for our mailing address in which to send notes or drawings from the children to the Fire Safety Dogs after the program. The dogs LOVE getting mail and will share drawings on their live streamed fire safety show, *Sparkles' Safety Spot*.

Here's the address: Fire Safety Dogs, 106 East Poplar Street, Clarksville, AR 72830

- Should you wish to receive an email with new coloring pages, videos and more when they are released, please send a note to keepkidsfiresafe@gmail.com with the word "Newsletter" in the subject line, and we will be sure to send them your way!

Please share this Skype opportunity with your friends. The more children that we reach, the more children we will be able to help keep safe.
